Progeny

Midas is producing quality offspring from a variety of mare types. He stamps them with his willing, friendly and intelligent nature and adds splashes of chrome on top.

These foals appear to have talent to become very good mounts for young children and adults alike and to perform well in many disciplines.

Midas x Reg. Half Welsh
palomino mare

Performance

Midas has not yet had the opportunity to prove himself in the ring, under saddle but did do very well at the Sport Pony Challenge in 2008. He is going well under saddle and is an absolute pleasure to train and work with!

Watch for him at the shows in 2009!

Midas' lines carry some of the most sought after sires in the Welsh Cob Breed. Sires that have proven to be pre-potent in producing champions in halter and performance.
